**RECEIVER'S TWENTY-EIGHTH INTERIM APPLICATION AND MOTION  
FOR COURT APPROVAL OF PAYMENT OF FEES AND EXPENSES  
OF RECEIVER AND RECEIVER'S RETAINED PROFESSIONALS**

Kevin B. Duff, as the receiver (“Receiver”) for the Estate of Defendants EquityBuild, Inc., EquityBuild Finance, LLC, their affiliates, and the affiliate entities of Defendants Jerome Cohen and Shaun Cohen, as defined in the Order Appointing Receiver entered August 17, 2018 (Dkt. 16), as supplemented by Order entered March 14, 2019 (Dkt. 290) and Order entered February 21, 2020 (Dkt. 634) (collectively, the “Receivership Defendants”), and pursuant to the powers vested in him by Order of this Court, respectfully submits this Twenty-Eighth Interim Application (“Application”) for the Second Quarter 2025, and moves this Court for an order approving payment of the fees and expenses of the Receiver, the Receiver’s counsel, Rachlis Duff & Peel, LLC (“RDP”), the Receiver’s tax counsel and administrator Miller Kaplan Arase LLP (“Miller Kaplan”), and the Receiver’s accountant Sorren (f/k/a KMA S.C.). In support of his Application and Motion, the Receiver states as follows:

## I. BACKGROUND

On August 15, 2018, the United States Securities and Exchange Commission (“SEC”) filed a civil Complaint against Jerome Cohen, Shaun Cohen, EquityBuild Inc., and EquityBuild Finance LLC (collectively the “Defendants”) alleging violations of federal securities laws, along with a motion for entry of an asset freeze, preliminary injunction, and other ancillary relief. (Dkt. 1 & 3, respectively)

In their Complaint against the Defendants, the SEC alleged violations of Section 10(b) of the Securities Exchange Act of 1934 (the “Exchange Act”), 15 U.S.C. § 78j(b), and Rule 10b-5 promulgated thereunder, 17 C.F.R. § 240.10b-5, Section 20(a) of the Exchange Act, 15 U.S.C. §78t(a), Sections 5(a) and 5(c) of the Securities Act of 1933 (the “Securities Act”), 15 U.S.C. §77e(a) and (c), and Section 17(a) of the Securities Act, 15 U.S.C. §77q(a). (Dkt. 1)

The Complaint further alleged that the Defendants operated a Ponzi-scheme that raised at least \$135 million from more than 900 investors by, among other things, making untrue statements of material fact in connection with the sale of promissory notes allegedly secured by residential real estate primarily located on the south side of Chicago. (*Id.* ¶¶ 1-7, 17, 20-51)

On August 28, 2018, the Court entered a judgment against defendants Jerome Cohen and Shaun Cohen which, among other things, enjoined future violations of federal securities laws. (Dkt. 40)

In connection with its civil action, the SEC sought and obtained Court approval for the appointment of a Receiver, and on August 17, 2018, this Court entered an Order Appointing Receiver. (Dkt. 16)

Under the Order Appointing Receiver, the Receiver was authorized to engage and employ persons and entities in his discretion to assist him in carrying out the duties and responsibilities set forth in the Order. (*Id.*, Order Appointing Receiver, ¶ 54)

Accordingly, the Receiver retained RDP as special counsel, and, on August 20, 2018, the Court entered an Order approving RDP's rates. (Dkt. 19) On August 23, 2018, the Receiver retained Miller Kaplan to provide tax advice services and serve as Tax Administrator of the Settlement Fund, and Sorren, to provide accounting services and to perform tax and related work regarding the assets of the Receivership Estate. (Dkt. 32) On August 28, 2018, the Court entered an Order approving Miller Kaplan's and Sorren's<sup>1</sup> rates. (Dkt. 39 & 45)

Pursuant to the Order Appointing Receiver, the Receiver and his retained personnel are entitled to "reasonable compensation and expense reimbursement" from the Receivership Estate, as described in the "Billing Instructions for Receivers in Civil Actions Commenced by the U.S. Securities and Exchange Commission" (the "Billing Instructions") agreed to by the Receiver. (Dkt. 16, ¶ 69)

## **II. TWENTY-EIGHTH INTERIM APPLICATION**

Pursuant to the Billing Instructions, the Receiver provides the following information regarding this Application:

- a. The Application covers the period from April 1, 2025 through June 30, 2025.
- b. The names or job titles and hourly rates of all professionals for RDP, Sorren, and Miller Kaplan are attached as **Exhibit A**.

---

<sup>1</sup> At the time the court approved the rates for these accounting professionals (Dkt. 45), the firm was called BrookWeiner LLC. Although the firm name subsequently changed from BrookWeiner to KMA SC to Sorren, the rates charged to the Receivership have remained constant.

c. This is the Receiver's Twenty-Eighth Interim Application. The attached **Exhibit B** summarizes (1) the fees approved with respect to the Receiver's prior interim fee applications, (2) the amounts paid pursuant to approved allocations, (3) the unallocated amounts paid from the Receiver's account, (4) the amounts paid in final distributions, (5) the amounts paid at property closings as Agency Fees, (6) the amounts held back pursuant to court order (broken down by property and unallocated fees) and the previously held-back fees paid pursuant to final distributions, and (7) any approved amounts that were unpaid as of June 30, 2025.

### **III. CASE STATUS**

Pursuant to the Billing Instructions, the Receiver provides the following information regarding the status of the case, and activities performed specifically for the period covered by this Application. *See also* Receiver's Twenty-Eighth Status Report (Second Quarter 2025) for additional information. (Dkt. 1906)

#### **a. Cash on Hand and Assets in the Receivership Estate**

The Receiver's Standardized Fund Accounting Report ("SFAR") for the Second Quarter 2025 is attached as **Exhibit C**. The SFAR sets forth the funds received and disbursed from the Receivership estate during this reporting period. As reported in the SFAR, the amount of cash on hand as of June 30, 2025 was \$17,309,702.64. The information reflected in the SFAR was based on records and information currently available to the Receiver. The Receiver and his advisors are continuing with their evaluation and analysis.

All known Receivership Property is identified and described in the Master Asset List attached hereto as **Exhibit D**. The Master Asset List identifies 56 checking accounts in the names of the affiliates and affiliate entities included as Receivership Defendants, reflecting a combined balance in the Receiver's accounts as of June 30, 2025 of \$17,309,702.64. (*See also* Dkt. 258 at

21, and Dkt. 348 at 23-24, for additional information relating to these funds.) Additionally, the separate interest-bearing accounts established by the Receiver to hold the proceeds from sold real estate are identified on **Exhibit E**, which collectively contained \$9,976,953.97 after the interest earned through June 30, 2025 was deposited into the 33 remaining accounts.<sup>2</sup>

**b. Receiver's Administration of the Case**

Upon his appointment, the Receiver began making efforts to determine the nature, location, and value of all property interests of the Receivership Defendants, including monies, funds, securities, credits, effects, goods, chattels, lands, premises, leases, claims, choses in action, rights and other assets, together with all profits, interest, or other income attributable thereto, which the Receivership Defendants owned, possessed, retained a beneficial interest in, or controlled directly or indirectly, and to preserve and maintain those assets. In furtherance of such, the Receiver took, *inter alia*, the following actions:

i. **Identification and Preservation of Assets**

There was no material work done in this category during the quarter.

ii. **Financial Reporting**

The Receiver only needed to devote a minimal amount of work during the quarter to financial reporting.

iii. **Open Litigation**

The claims the Receiver asserted against former EquityBuild professionals have all been resolved and the settlement payments paid into the Estate. During the quarter, the Receiver only spent a minimal amount of time on such claims. As the Receiver approaches the presentation of a final distribution associated with Group 10, any remaining liquidated and/or unliquidated claims

---

<sup>2</sup> Several of these 33 accounts have balances remaining due to uncashed distribution checks (see Section III(c), below).

will be addressed, along with several state court litigation matters in which EquityBuild was named as a defendant.

iv. Control of Receivership Property and Records

During the Second Quarter 2025, the Receiver continued efforts to maintain, preserve, and utilize EquityBuild's internal documents during the pendency of this matter.

v. Factual Investigation

During the Second Quarter 2025, the Receiver and his retained professionals continued to review and analyze the various and sundry records recovered in connection with this action, as necessary in connection with the ongoing and remaining work for the receivership.

vi. Accounts Established by Receiver for the Benefit of the Receivership Estate

The Receiver established custodial accounts at a federally insured financial institution to hold all cash equivalent Receivership property. The interest-bearing checking accounts are used by the Receiver to collect liquid assets of the estate and to pay the portfolio-related and administrative expenses.

For each property encumbered by secured debt that was sold, the Receiver also established a separate interest-bearing account for the purpose of depositing and holding funds until such time as the Court orders distributions, following a claims process, to the creditors of the Estate, including the defrauded investors. (Dkt. 230, 311, 344 & 346) As the property accounts are zeroed-out in connection with distributions, the Receiver has been and will continue to close them.

c. Creditors and Claims Against the Receivership Estate

During the quarter the Receiver focused on negotiating the resolution of claims, and was able to submit distribution plans pursuant to agreements that were reached with respect to 11 additional properties, as discussed below.

A settlement was reached, and the Receiver prepared and filed a motion to approve distributions on these properties (Dkt. 1891), and began working to confirm distribution information with claimants and process the distributions, which will be completed in the current quarter.

(Dkt. 1871) All distribution checks were mailed during the quarter and the Receiver is working with certain claimants for whom checks need to be reissued and to encourage other claimants to cash the checks before they expire.

Group 10

During the quarter, the Receiver and his team continued their efforts to analyze Group 10 claims submitted by equity investors, trade creditors, and other unsecured claimants, as well as to confirm the amounts and balances of loans rolled from other properties to unsecured investments, and analyze the total moneys recovered and net remaining loss for claims in Groups 1-9. This is an ongoing process through which the Receiver is working with the accounting firm Sorren to create a plan for the distribution of the unencumbered estate funds. The Receiver has also conducted research and worked on a final distribution plan methodology for presentation to the

Court after the priority disputes and claims secured by the liquidated properties of the Estate have been resolved.

During the quarter, the Receiver and his team engaged in a multitude of other activities relating to the claims process as reflected in the submitted invoices. Most notably, the Receiver and his professionals communicated with claimants and certain claimants' counsel regarding the claims process and distributions, continuously updating all claimants on the developments in this action, and responding in a timely manner to the various communications from investors and others.

During the Second Quarter of 2025, the Receiver and his staff responded in writing to approximately 218 emails and voicemails from claimants and their representatives, and sent an additional 166 emails confirming distribution payee and address information, in addition to conducting a number of oral communications. To ease the burden and provide basic information, the Receiver established a web page (<http://rdaplaw.net/receivership-for-equitybuild>) for claimants and other interested parties to obtain information and certain court filings related to the Receivership estate, which remains in place today and continues to be the best and most cost-effective means of obtaining information regarding the status of this action.

#### **IV. BILLING ADDRESSED IN THIS APPLICATION**

Pursuant to the Billing Instructions, the Receiver provides the following information regarding current billing:

##### **a. Total Compensation and Expenses Requested.**

- i. In connection with his duties, the Receiver respectfully requests compensation for services rendered, totaling \$34,866.00 for the period of this Application. Copies of the Receiver's invoices for April, May, and June, 2025 are attached as Exhibit F.

- ii. In connection with the legal services provided to the Receiver by RDP, the Receiver respectfully requests compensation for services rendered, along with reimbursement of expenses, totaling \$170,182.92 for the period of this Application. Copies of RDP's invoices for April, May, and June, 2025 are attached as **Exhibit G.**
- iii. In connection with the accounting provided to the Receiver by Miller Kaplan, the Receiver respectfully requests compensation for services rendered, along with reimbursement of expenses, totaling \$2,295.54. These fees relate to services rendered during the Second Quarter 2025. A copy of Miller Kaplan's invoice is attached as **Exhibit H.**
- iv. In connection with the accounting provided to the Receiver by Sorren, the Receiver respectfully requests compensation for services rendered during the Second Quarter 2025, totaling \$2,749.50. A copy of Sorren's invoice is attached as **Exhibit I.**

**b. Source of Funds for Requested Compensation and Expenses.**

To the extent that the work performed or expenses incurred benefitted the properties or the claimants asserting an interest in those properties, the Receiver requests that the above compensation and expenses be paid pursuant to the Receiver's first-priority lien previously ordered and affirmed by the Court. (*See* Court's 10/26/20 Order granting Receiver's lien (Dkt. 824), Court's Order Approving Receiver's Lien for Certain Categories of Expenses (Dkt. 1030), and Court's Order adjusting the amount of holdbacks (Dkt. 1468)) Notwithstanding the foregoing, to the extent the Court's prior orders authorized the payment from the Receiver's account of fees allocated to certain resolved properties in the current quarter (Dkt. 1830, 1865, 1877), such fees

will be paid from the Receiver's account. To the extent the fees or expenses are not property-specific, the Receiver requests that they be paid from the Receiver's operating account.

The Receiver submits – as Exhibits J-L<sup>3</sup> to this fee application – his proposed allocations to properties in the Estate of fees incurred during the Second Quarter 2025, and requests approval of an interim payment of the approved amount from the accounts established from the sale of the property, subject to any holdback ordered by the Court and other orders approving the payment of previously held-back fees on properties that have been resolved. Additionally, the Receiver requests that \$1,552.02 of the fees allocated to the seventeen Group 8 properties be paid from the Receiver's account. The Court's Order Approving Distribution of Proceeds from the Sales of Group 8 Properties 80-96 (Dkt. 1871) authorized the payment of an estimated \$122,000 in fees that would be allocated to these properties in the first and second quarters of 2025. As reported in the Receiver's last fee application (Dkt. 1878), \$105,255.44 was allocated to these properties in the aggregate in the first quarter of 2025, and as reported in Exs. J and L to this application, \$18,296.58 was allocated to these properties in the second quarter of 2025. The total fees of \$123,552.02 are \$1,552.02 more than the estimate, and the Receiver requests authorization to pay the excess from the Receiver's account.<sup>4</sup>

The Receiver's proposed allocations apply the methodology previously authorized by the Court. (*See, e.g.*, Dkt. 824 at 5; Dkt. 755 at 23-24; Dkt. 1188 at 2) In further support of this request, the Receiver incorporates by reference the arguments and legal authority offered in

---

<sup>3</sup> Exhibit J contains a summary by property of the specific allocations to each property during the quarter. Exhibits K and L both contain the specific allocation details, grouped together in Exhibit K to show the property or properties to which each task has been allocated and a count of those properties, and individually by property in Exhibit L.

<sup>4</sup> The residual interest transferred to the Receiver's account pursuant to the Court's order (Dkt. 1871) more than offsets the amount of the fees the Receiver is requesting be paid from that account.

support of his Motions for Approval of Allocations of Fees to Properties for Payment Pursuant to Receiver's Lien (Dkt. 1107, 1230, 1321, 1416, 1481), and the Court's orders regarding same (Dkt. 1381, 1419, 1450, 1469, 1490, 1491, 1504, 1511).

**c. Twenty-Eighth Application for Payment of Professional Fees and Expenses.**

This is the Receiver's Twenty-Eighth Interim Application.

**d. Summary of Activity.**

A "Summary of Activity," providing the total hours billed and the amount of billing for each person who billed time during the Application period (April 1, 2025 through June 30, 2025) can be found at the end of the Receiver's invoices (Exhibit F) and RDP's invoices (Exhibit G). The average hourly billing rate reflected by RDP's invoices for the application period was \$289. The value of the billed hours in relation to the fees sought by this fee application equates to a 48% discount off the Receiver and RDP's standard rates.

**V. CONCLUSION**

WHEREFORE, the Receiver respectfully requests that the Court approve the Receiver's Twenty-Eighth Interim Fee Application and enter an Order as follows:

- a. finding the fees and expenses of the Receiver and Receiver's retained professionals, Rachlis Duff & Peel, LLC, Miller Kaplan, Sorren, as described in Exhibits F-I, respectively, to be reasonable and necessary to the Receivership;
- b. granting the Receiver and his retained professional a first priority administrative lien against each of the real estate properties in the Receivership Estate and their sales proceeds for payment of fees and costs;
- c. approving the proposed allocation and payment methodology with respect to a Receiver's lien for all fees and expenses of the Receivership Estate as described and recommended in Exhibits J-L of this fee application, and approving the

Receiver's payment of such fees and expenses to the Receiver and the Receiver's retained professionals from sales proceeds for each of the properties in the Receivership Estate as described and recommended in this fee application;

d. approving the Receiver's payment to the Receiver and the Receiver's retained professionals of all other fees and expenses approved in this application from the Receiver's account as described and recommended in this fee application; and

e. granting the Receiver all other relief which this Court deems just and proper.
